

## Tour Notes: Extended Stays - Cygnet Bay Pearl Farm

Looking to extend your 1-Day tour and 2-Day tour with more comfort than a tent, and learn more about the King Sound coastline? Try our overnight stays at Cygnet Bay Pearl Farm.

Choose from:

- Sleeping on a luxury catamaran on the The Bay (with crew) or
- Staying in custom-made safari tents.

Following your visit to the Cygnet Bay Pearl farm on the 1-Day tour and 2-Day tour, we leave you at the farm to settle into your accommodation of choice, before an optional 3 hour sunset cruise with dinner on board one of the farm's boat. Explore some of the creeks and bays around Cygnet Bay and experience a spectacular sunset over tranquil waters.

Alternatively, with advice from staff at the farm, enjoy self-guided activities like fishing, coastal walks or sea kayaking. For those not wanting to self-cater or participate in the sunset cruise, an evening 'Pearler's meal' is available in the farm's kitchen.

After breakfast the next morning you can pay to go one of the optional guided tours (subject to tidal and weather conditions). This may include: exploring rock pools at low tide with the farm's marine biologists and tasting wild oysters, being dropped off alone on a private beach with a hand held radio; or enjoying a high powered motor boat ride around the tidal creeks, beaches, islands and the farm at work.

Or you may enjoying doing your own thing and rejoin the next 1-Day tour for lunch around 1 pm and complete the days itinerary including One Arm Point Hatchery and Cape Leveque swim.

For people looking to stay longer on the farm so that they can take advantage of full-day boating tours including a visit to Sunday Island, you can upgrade your accommodation to fully self-contained units. Please phone or email us for details.
